Damanhur, Al Buhayrah, Egypt

Summary

Aspiring Computer Science Student & Front-End Developer

Passionate about the intersection of technology and creativity, I am currently pursuing my degree in Computer Science while honing my skills as a front-end developer. With a keen eye for design and a love for coding, I bring enthusiasm and dedication to every project I undertake.

Expertise Highlights:

Front-End Development: Proficient in HTML, CSS, JavaScript, and frameworks like React and Vue.js.
UI/UX Design: Skilled in creating intuitive and visually appealing user interfaces to enhance the user experience.
Problem-Solving: Equipped with strong analytical skills to troubleshoot and resolve technical challenges efficiently.

Student Journey:
As a student in Computer Science, I am constantly exploring new technologies and methodologies to stay at the forefront of industry trends. I actively seek opportunities to apply my knowledge through internships, projects, and collaborative endeavors.

Key Attributes:

Ambitious Learner: I have a growth mindset and a thirst for knowledge, always seeking to expand my skill set and expertise.
Team Player: I thrive in collaborative environments, leveraging my communication skills to contribute effectively to group projects.
Results-Driven: I am committed to delivering high-quality solutions that meet both user needs and business objectives.

Let's connect to discuss how I can bring my passion for front-end development and my dedication to learning to your team or project!

Experience

RMZtech
Frontend Developer
July 2023 - August 2023 (2 months)
Egypt

Education

Pharos University in Alexandria
Bachelor's degree, Computer Science · (2021 - 2025)
